How to install the Nest Trading Terminal?

Step 1- Download the Nest Trader Terminal

- You can download the Nest trader by using this link: https://www.kotaksecurities.com/platform/nest-trading-terminal/
- You'll get directed to the website to select the appropriate Nest version according to the system OS configuration.
- Start downloading the file. (The file will be in zipped format.)

Step 2- Installation

- Unzip and extract the downloaded file.
- Double-click the Nest Trader set-up to install.
